THE FIRST *Crematory* IN LEXINGTON

If your choice is cremation, you owe it to yourself and your family to learn about The Lexington Crematory.

- On-site cremation at the community burial grounds
- A comfortable viewing area where family and friends can observe the crematory process, if desired or to fulfill religious obligations
- State licensed and CANA certified

Memorialization options are available in The Lexington Cemetery.

- A choice of inurnment in The Lexington Mausoleum, the columbarium or a private family mausoleum
- Burial in a family lot
- Enclosure in a niche bench, boulder or statue
- The Lexington Cemetery Scattering Garden

Talk To Your Funeral Director

Your funeral director can assist you in arranging for cremation and memorialization in the historic national arboretum.
